VXi VoxStar™ UC Headset

PRODUCT BRIEF

Be heard clearly, however you communicate.

The VoxStar™ UC headset eliminates up to 93% of background noise, so people hear you, not the noise around you. The Bluetooth® adapter gives you the wideband audio you need for significantly better VoIP, speech recognition and Unified Communications performance.

Benefits

- Be heard clearly with the industry's best noise canceling—guaranteed.
- Get better results from any voice application.
- Connect to both your cell phone and PC from one headset.
- Easy plug-and-play set up.
- Stream high-quality audio from any Bluetooth-enabled source.
- Talk for over 7 hours per battery charge.
- Make your phone a walkie-talkie with the VXi BlueParrott® Push-to-Talk App.

VoxStar UC lets you be heard clearly, by people and PCs.
